

THE TIME IS SHORT

Since our last newsletter we have been working non-stop encouraging those who are called to carry the Gospel of Jesus Christ to every nation. We are convinced that the time is short and everyone has not heard the good news. These words of our Lord will be fulfilled. Of this fact, we can rest assured and continue in the calling that He has for us. God has allowed us to travel to several nations to participate in missionary

training sessions. We love our time spent with the youth. They have such a zeal for Christ and such yearning in their hearts to do the will of God.

Many have been called to fulfill the words of Christ. "This Gospel will be preached and then the end will come". We know that in the Kingdom of God, all things are possible and nothing will be impossible. *Please pray for the youth around the world that they will answer the call of Christ.*

Lord help us to know that there is no lack in your Kingdom. You are our all knowing Father and you know what we have need of before we even ask. Help us to take that step of faith to obey your command: "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

We had a wonderful reunion with brothers and sisters who served with us in Ghana last year.

BENTON AND ELYSE

Many of you ask about Benton and Elyse and we really appreciate your care. Benton and Elyse are doing well. Both are working and ministering to others through their professions. God has granted them to have compassionate hearts to reach out to others at their point of need. Benton resides in Virginia Beach working for a Christian broadcasting network and Elyse accepted a teaching position in South Korea. She is enjoying her students and co-workers and she is loved by everyone. *Please continue to pray for them to fulfill all that God has called them to accomplish.*

Newlyweds Though we have moved to Chad, we still have opportunity to visit our Ghana base. During the first week of August we had the pleasure of seeing one of our disciples, John, wed his beloved Esther. It was a beautiful ceremony with much joy among everyone who attended. John and his bride will be serving God with us in Chad. *We ask that you keep them in your prayers as they embark on this next stage of life.*

GHANA BASE

We thank God for the work He is doing in Ghana. Truly the love of God is beyond what we can imagine. God has servants who are willing to do His bidding. Recently, we received a donation of (audio bible torches) media equipment to be used to spread the gospel. The people were very excited to hear the word of God in their native language. As they waiting to see the dental or eyes specialists, everyone sat quietly listening to God's word and for some it was their first time hearing the truth.

TORCH

The Lord has opened a big door for Ayuba, Joseph, John and Peter to evangelize several

unreached villages in the Northern region of Ghana. These villages have not had any evangelism and the people are receptive to hearing the good news. We sincerely believe that even the most remotest villages will have the opportunity to hear about Jesus Christ before He returns. Our excitement is the presentation of the Gospel in their own dialect just like on the day of Pentecost; no misunderstanding the language. Hallelujah! God has opened doors to three villages with no Christian witness at all. We have started work in these villages forming those that accepted Christ during the outreach into disciples of Jesus Christ.

We continue to receive donations of equipment and medical supplies for our base in Chad. We thank God for the generous donations received to build a dental and eye care clinics at our Chadian base. Construction is underway and there is much excitement among those residing there. May God bless all of you and remember you for good in the days to come.
